Contact

All WDI services are free! Our services include assessment, career planning, skills training, job search guidance and resources, and preparation for further training and education. We also offer scholarships and connections to many other great programs and resources in Southeast Minnesota. Contact us today!

"I'm incredibly grateful to Workforce Development Incorporated and to all the donors who make this work possible. Thank you for believing in people like me and for investing in our dreams. I promise to pay it forward in my future as a nurse."

Program Success Spotlight:

Through WDI's Bridges to Healthcare program, Ghislain received full tuition support for his TMA training, plus help with childcare and car repairs that removed major barriers. With that stability, he advanced from CNA to TMA, increased his income to better support his family, and earned Dean's List honors in both Fall 2024 and Spring 2025.
